## PRESIDENTS'S MESSAGE

Welcome to the 2025-2026 school year! As always, summer flew by too fast, but as the President of GEA, it is my honor to extend a heartfelt welcome to our returning members as well as those joining us for the first time.

The Garvey Education Association exists to support you, as you support our students and community. We are here to assist you, so do not hesitate to reach out to your site rep or any of our Executive Board Members if you need a helping hand. We strive to advocate for fair working conditions while protecting your rights and ensuring your voice is heard within the Association and by the District.

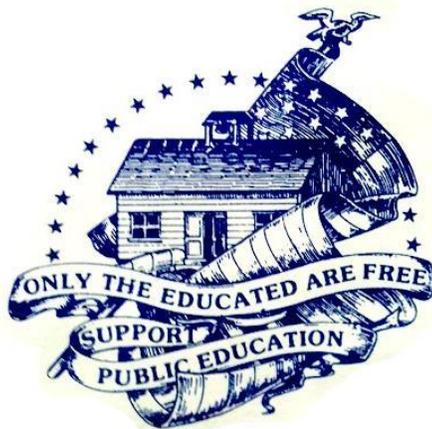

Whether in the classroom or at the bargaining table, our power lies in our solidarity.

I encourage you to get involved, stay informed, and lean on your union community.

Despite our multitude of current challenges, let us work to make this the best year we can.

Together we are GEA!

--- Michael Drange
